

Meet the Wine Makers

Saturday November 9th

Silver Spoon Estate produce award-winning, hand-crafted wines of distinctive personality and style, with a diverse range of wines to suit every dining experience. The range includes 100% Shiraz, Viognier, Grenache, Mourvèdre, Tempranillo, red blends and late harvest wines using traditional techniques. Home of the MONSTER Shiraz! The grapes are grown from our dry-grown (un-irrigated) vineyards on the Cambrian soils of the Mount Camel Range. We are Heathcote's first 100% off-grid solar-powered Estate using full sustainability practices.

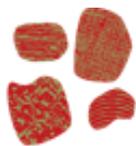

Saturday December 7th

Munari Wines have been producing wines grown, made and bottled at the property in Ladys Pass, just north of the Heathcote since 1992 with Adrian Munari continuing his passion for winemaking and viticulture. Crafting more bold, beautifully rounded and charismatic wines that uphold the reputation of a first class Heathcote wine region. All of our wines are designed to contrast with a distinctive individuality and character that accommodates the most complex or the most simplistic of palates.

Condie Estate is a small batch winery, owned by Richie & Rosanne Condie. Our fruit is organically grown in Heathcote and our wines are made on site by us. We manage the whole process from vine to bottle, we grow it, we make it and we love it. Varieties include Viognier a big textual white, Sangiovese a classic medium bodied Italian and our Heathcote flagship Shiraz. Our philosophy is low touch and natural. The results are concentrated wines that are a great expression of the Heathcote region.

Saturday March 7th

Tellurian winery, vineyard and cellar door is family owned, organically certified, and intent on crafting delicious 100% Heathcote wines that reflect our love for these ancient Cambrian soils. Our wines display intensity, finesse and personality, from our flagship Tranter Shiraz, to the new and emerging varieties including Grenache, Mourvèdre, Marsanne, Viognier, Fiano and Nero d'Avola.
